5. Elections to the Society Board

a. Ratification of the elections process.

As chair of the Election Management Group (EMG), JY reported that four applications for re-election had been received by John Cooper, Leo Hoenig, Ryan Grimmett and Sam Nair.

An application from Tim Nicholls was received for election to the board.

The applications were scrutinised and approved by Robbie Whittaker of the Blackpool Supporters Trust as part of his role within the EMG.

As the number of applications was fewer than spaces available, all applicants were successful. This was adopted by a unanimous vote of members present.

JHend thanked Sam Lear and Adam Stanley, who had stepped down from the Trust Board prior to the AGM.

6. Q&A matters arising

A question was asked regarding the criteria for the new owners that was answered by the full forum including Directors from the Club.

Adrian Bailey provided information about Cheltenham Town history and asked about recognising the Club's past ground in Pitville Park.

CLOSE

The meeting was then closed for an Open Fans' Forum and a long standing fan presented an original share certificate to Paul Godfrey.
